“Mary!”

- Try to imagine how Mary must have been feeling, and what thoughts might have been going through her head there at the tomb.
- Do you think Mary recognized the angels at the tomb as angels? Why (not)?
- What do you make of Jesus' first post-resurrection action? What would YOU be tempted to do if you were in Jesus' shoes? Why?
- What does Jesus action, and his greeting, tell us about how the Saviour operates?
- Who else, post-Resurrection, does Jesus call by name?
- Called by name..... see the divine action plan (Isaiah 43:1-2)
- What are some ways that Jesus calls our name today?
- What difference does it make to be personally known cared for by the Risen Jesus?
- What's with Jesus statement, “Don't hang on to me”?
(consider John 16:10 & 28; 20:17; Romans 8:34)
 - A. Jesus' part
 - B. Mary's part
- Describe how the call of Jesus came into your life. What people are part of the chain of hope from the Saviour to you? Name some of them.
- “I am ascending to my Father and your Father, to my God and your God.”
explore the mind-blowing relationship implications of this statement from the lips of Jesus.
